

## **Autumn Textured Cowl**

### **Materials:**

N hook  
3 skeins of Lionbrand Hometown USA yarn in El Paso Autumn  
scissors  
yarn needle  
measuring tape

### **Abbreviations:**

Ch-chain  
Rd-round  
Ss-slip stitch  
Bldc-back loop double crochet  
in-inches

### **Additional Notes:**

This pattern is written in U.S. Terminology. This pattern will fit a teenager to average sized adult. This cowl is worked in the round, using basic double crochet stitches. If you are not familiar with working in the round, you can crochet it as a flat piece and then stitch it together at the end.

### **Cowl:**

ch 55

Making sure none of your chains are twisted, insert your hook into the 1<sup>st</sup> ch and ss to join. Next, starting with the 1<sup>st</sup> ch from the hook, make a bldc into that 1<sup>st</sup> stitch and continue this for the whole rd. After you finish the 1<sup>st</sup> rd, insert your hook into the 1<sup>st</sup> ch that you made at the beginning of the rd and ss to join.

Ch 1 and repeat rd 1 again, remembering to ss after each completed rd & chaining 1 before beginning the next rd. You will complete this sequence for the entire piece.

Add your 2<sup>nd</sup> skein of yarn once your 1<sup>st</sup> skein is done and continue. When you are satisfied with the length of your cowl, complete the rd and ss to join. Ch 1 and pull the yarn half way through the loop. Cut the yarn and fasten off the piece. Weave in any tails and your cowl is complete.

\*For my finished piece, I used about 3 skeins (81 yds per skein). The final measurements were 18ins. in height & 15ins in width.\*
