

Capybara Pattern

Made by Luna

Hi there, friend!

Thank you for choosing this pattern! Whether you're a seasoned crocheter or just starting out, this little capybara is sure to bring joy and relaxation to your hook time. Inspired by the world's chilliest rodent, this cuddly amigurumi makes a perfect gift, desk companion, or addition to your handmade collection. This pattern includes step-by-step instructions, helpful tips, and clear photos to guide you through every part of the process — from the first magic ring to the final embroidered details.

Get comfy, grab your favorite yarn, and let's bring this adorable capybara to life. Happy crocheting!

With love,
Luna

Before you start

Materials

Before beginning this project, it's important to choose the right materials to achieve the best results. Here's what you'll need:

Yarn: This pattern is designed for **Medium/Worsted Weight 4 yarn**. You can use 100% acrylic yarn or a similar blend. Suggested yarns include **Paintbox Yarns Simply Aran**, or **Scheepjes Softfun**. These options have the right thickness and texture for this project.

You will need the colors:

- Beige (≥ 40g)
- Brown (≥ 40g)
- Small amount of black yarn for details

Hook size: Use a 2.5 mm crochet hook. Adjust the hook size slightly if needed to match your tension or if your stitches feel too loose or tight.

Stuffing: Polyester fiberfill or similar material for filling.

Tapestry Needle: For sewing pieces together and weaving in ends.

Stitch Marker: To keep track of your rounds and stitches.

Scissors

If you're substituting yarn, make sure it's similar in thickness and texture to ensure your final piece matches the intended size and structure. Remember, consistent tension is key to creating a beautifully finished project. Take your time to gauge and adjust before starting.

Size: If you use the recommended yarn and hook size, the capybara will be approximately 3.54 inches (9 cm) tall.

Abbreviations (US terms)

MR: Magic Ring

sc: Single Crochet

inc: Increase (2 single crochet in the same stitch)

dec: Decrease (single crochet 2 stitches together)

Notes

- Work continuously in a spiral unless otherwise stated.
- Use a stitch marker to mark the beginning of each round.
- This pattern uses the X single crochet stitch

Pattern

Body

You will start with beige yarn

R1: 6 sc in MR

R2: 6 inc = 12 sc

R3: sc, inc 6x = 18 sc

R4: 2 sc, inc 6x = 24 sc

R5: 3 sc, inc 6x = 30 sc

R6–R10: 16 sc (beige), 6 sc (brown), 8 sc (beige) = 30 sc

R11: 13 sc, 6 dec, 5 sc = 24 sc

R12–R16: 24 sc

R17: 11 sc, inc 2x = 26 sc

R18: 12 sc, inc 2x = 28 sc

R19: 13 sc, inc 2x = 30 sc

R20–R21: 30 sc

R22: 3 sc, dec 6x = 24

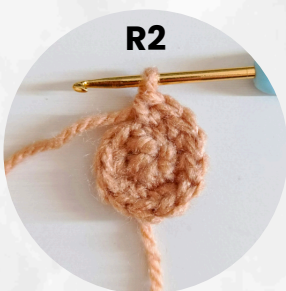

R23: 2 sc, dec 6x = 18

R24: sc, dec 6x = 12

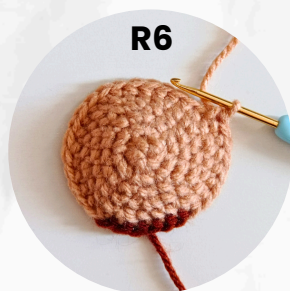

After this round, you can start adding stuffing inside the capybara. Make sure to distribute it evenly to maintain the shape.

R25: dec 6x = 6 sc

Fasten off and close the hole. Weave in the yarn end.

Body - Closing

To finish the body of your capybara, first cut the yarn, leaving a generous tail. Using a tapestry needle, weave the yarn through the front loops of all the single crochet stitches from Round 23 – there should be 6 loops in total. Once the yarn is threaded through all the stitches, insert the needle into the center of the opening and pull tight to close the hole. Be careful to not pull too tightly, as this can cause the shape to distort. Pull just enough to close the gap evenly. After that, simply weave in the remaining tail to secure and hide the yarn.

Ears

Worked entirely in brown

R1: 6 sc in MR

Back Paws

Worked entirely in brown

R1: 6 sc in MR

R2-R3: 6 sc

Front Paws

R1: 6 sc in MR (Brown)

R2-R4: 6 sc (Beige)

Finishing

Now that you have finished all the parts, it's time to assemble your capybara! Start by sewing the ears to the top of the head, positioning them evenly on both sides. Then, attach the front paws to the sides of the body and the back paws to the bottom, making sure they are aligned. Make secure stitches and hide the ends of the yarn inside the body for a neat finish.

With everything sewn, finish by cutting a piece of black yarn to place where the eyes will go. Adjust the position until it looks right, then secure it in place.

In case you need it, I left this image as a reference for how many stitches after the snout you should place the capybara's ears and eyes.

For the snout, use black yarn to embroider a Y-shaped pattern, as shown in the image.

Attaching the keychain

First, insert the needle into the spot shown in the image and pull out a small loop of beige yarn, this is where you'll attach the keychain. Once the keychain is in place, tie it securely with a knot. Trim any excess yarn and hide the knot inside the capybara.

And that's it! Your capybara is all done and ready to shine. You've crafted something truly special, and I hope this little creation brings a smile to your face. **Enjoy your work, and be proud of what you've made!**
