

MOARA
CROCHET DESIGNS

Materials

- 2 meters lace or fingering weight pink yarn per flower
- 1 meter lace weight green yarn
- 1 meter lace weight dark pink yarn
- Matching crochet hook to your yarn I have used a 2.2mm for the flower & a 1.25 for the stigma motif
- Yarn needle
- Scissors

Gauge: N/A. Use the smallest crochet hook you can with your chosen yarn to create tight stitches, this will help your petals keep the form & not flop.

Size: For the flower I doubled my lace yarn & used a 2.2mm crochet hook to make 2.5cm flowers & a smaller 1.25mm crochet hook with the lace yarn for the stigma motif.

Notes: I would suggest doubling the yarn for the flower & using a single strand for the stigma motif to ensure a contrast in size of the two parts. The flowers are worked in the round. The central motif is also worked in the round the attached to the centre of the crochet blossom flower.

Subscribe to my monthly Newsletter & receive info about the latest pattern releases, promotions, crochet tips and advice plus FREE CROCHET PATTERNS! As a welcome gift you will receive my Crochet Hanging Pod Pattern.
