Skill Level

Intermediate

Materials List

Approx. 12 ounces Caron Simply Soft yarn

Crochet hooks in size H/5.00mm and G/4.25mm

½ inch elastic for waistband, cut to fit, (less than 36")

Tapestry Needle

2 large safety pins (for threading elastic through waistband casing)

Needle and thread to sew elastic together.

Sizes

6,(8, 10,12) US

When pattern directions differ according to sizes, the changes will be noted in the same order as in line above.

Finished Dimensions (measurements) in inches

Length: 15.5, (15.8, 16.1, 16.8)

Leg Length: 5, (5.1, 5.1, 5.2)

Waist: 23, (24.5, 26,27.5)

Hips: 34.5, (36.1, 37.7, 39.8)

Leg Width: 22, (22.9, 24, 25.3)

Stitch Pattern and Notes

Griddle Stitch

1st Row: (worked after beg rows of sc ribbing) Ch 3 (count as 1 dc), * 1 sc into next sc, 1 dc into next sc, rep from * ending 1 sc into last ch, turn.

2nd Row: Ch 3 (count as 1dc), * 1 sc into next dc, 1 dc into next sc, rep from * ending 1 sc into top of turning ch, turn.

Rep 2nd Row.

Sc Ribbing

Sc stitches worked in back loop only of each sc across row, each row.

Notes: Sc dec = single crochet decrease

In order to make size changes, the number of stitches had to be adjusted. This may change your finished dimensions slightly from those given in the list above.

Helpful photos are included on the last page explaining certain aspects of the pattern.

Gauge

Griddle Stitch using size H/5.00mm hook

14 sts = 4 inches

12 rows = 4 inches

Pants Leg

Make two

1. Start at the bottom of the leg. Ch 93, (97, 99, 103) sts on size G hook. Working on 92, (96, 98, 102) sts for 4 rows in Sc Ribbing. Change to size H hook, start working in Griddle Stitch.
2. For size 8 only : Leg Shaping. Decrease 1 st at end of next 2 rows, so 94 sts remain. *Decreases are made easy by leaving last st unworked.*
3. All sizes. Work even until piece measures 5, (5.1, 5.1, 5.2) inches. (16 rows)
4. Crotch Shaping. Skip last 4, (4, 4, 5) sts at end of next 2 rows. Decrease 1 st at end of rows after that until you have 62, (64, 68, 72) sts. *Decreases are made easy by leaving last st unworked.*
5. Work short rows for back bottom shaping as follows. Work 31, (32, 34, 36)sts, turn. Work back across same 31, (32, 34, 36) sts, turn. Work 24, (24, 26, 27) sts, turn. Work back across same 24, (24, 26, 27) sts, turn. Work 17, (16, 18, 18) sts, turn. Work back across same 17, (16, 18, 18) sts, turn. Work 10, (8, 10, 9) sts, turn. Work back across same 10, (8, 10, 9) sts, turn.
6. This ends short row shaping, you will now be working into the short rows and cont working beyond each by stepping down to the next level to work the next st. *Short rows add height and*

depth without actually adding stitches to a row since the first full row is worked as if all the stitches were on the same level.

7. Work even (no increases or decreases) to Row 50, (50, 52, 54). Fasten Off.
8. Make second leg. Sew center seams, then inside leg seams. Weave in any loose ends.
9. Waistband. Change to size G hook. Work in Sc Ribbing for 6 Rnds. Decrease 40, (40, 40, 44) sts evenly across rnd to 84, (88, 96, 100) sts. Fasten Off.
10. Fold waistband in half to inside of shorts. Using tapestry needle and yarn sew to make casing for elastic. In sert elastic, sew ends together, close up waistband casing seam.

		
Short rows	After short rows, you work across as if the sts were all on the same level.	Both legs made, layed together, matching sides, for sewing center seams.
		
You may want to pin the two pieces to keep them from shifing while sewing center seams.	These (right hand corner) are the legs. After sewing center seams, rearrange so that center seams are in the middle and the legs lay flat. Sew up leg seam/crotch seam.	All done!
